RE: Request No. 1010249
National Joint Terrorism Task Force

Dear Ms. Beeson:

This is in reference to your letter dated December 2, 2004, directed to Federal Bureau of Investigation (FBI) Headquarters, in which you requested expedited processing for the above-referenced Freedom of Information Act request. This response is being made both on behalf of the FBI and the U.S. Department of Justice (DOJ) Office of Public Affairs (OPA).

You have requested expedited processing of your request pursuant to the DOJ standard permitting expedition for requests involving "[a]n urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information." 28 C.F.R. §16.5 (d)(1)(ii). Based on the information you have provided, I cannot find that there is a particular urgency to inform the public about an actual or alleged federal government activity beyond the public's right to know about government activity generally. Additionally, the primary activity of the American Civil Liberties Union is not information dissemination, which is required for a requester to qualify for expedited processing under this standard.

You have also requested expedited processing of your request pursuant to the DOJ standard permitting expedition for request involving "[a] matter of widespread and exceptional media interest in which there exists possible questions about the government's integrity which affect public confidence." 28 C.F.R. §16.5 (d)(1)(iv). Pursuant to DOJ policy, we forwarded your request to the Director of DOJ OPA, who makes the decision whether to grant or deny expedited processing under this standard. See §16.5 (d)(2). The Director of OPA did not detect "widespread and exceptional media interest," nor questions concerning the government's integrity regarding the issues raised in your request. The Director of OPA has therefore denied your request for expedited processing. Accordingly, your requests have been placed in the FBI's regular processing queue.

C. 20530-0001, within sixty (60) days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."
